## PER CURIAM.

Minnesota inmate Michael Williams appeals the district court's¹ adverse grant of summary judgment in his 42 U.S.C. § 1983 action against various prison officials and employees and medical personnel. After carefully reviewing the record, we conclude that summary judgment--as well as the rulings related to Williams's motions for appointed counsel, and his attempt to file a belated amended complaint--were proper, and that an extended opinion is not warranted. See 8th R. 47B.
